### WY-GPT

#### Multifunctional General Purpose Terminal

[Get More Product Details](#)

#### Features

- Very fast communications speed up to 115.2 Kbps (up to 38.4 Kbps with no handshaking)
- Compatible with wide range of operating systems
- Energy Star compliant
- Host downloadable/uploadable setup parameters
- User friendly, window-like setup
- Plug & play ease of use
- Split screen
- 76 Hz refresh
- Interchangeable keyboard (EPC, IEPC, ASCII, ANSI, VT220)

#### The Only Terminal You'll Ever Need

Now there's a terminal that offers you more features today, plus flexibility for future growth - the WY-GPT from Wyse Technology. Built-in features like faster I/O performance, split screen, and dual host capability will enhance productivity for your users. Energy Star compliance conserves energy and saves you money by operating below 15 watts in screensaver mode.

#### The WY-GPT is versatile enough to work in almost any environment.

You have a wide choice of emulations, including ASCII, ANSI and IBM 3151, plus compatibility with many operating systems ... AIX, VMS, ULTRIX, Pick, Theos...

Flexibility continues with support of ISO8859-1 and -2 fonts, DEC and PC Multinational character sets and over 25 keyboard languages standard. An easy, window-like setup menu lets you configure your terminal locally or from the host.

#### The WY-GPT was designed to deliver world-class ergonomic features.

Its high-resolution, overscanned video screen reduces eyestrain. The tilt and swivel base provides comfortable viewing, power and display controls located up front give users easy access. And the Wyse keyboards provide superior touch and feel.

#### Modular Design Makes Changes a Snap

WY-GPT terminals have a unique modular design which delivers reliability, flexibility, and investment protection. The new snap-together chassis simplifies maintenance and upgrades. The single-screw construction allows rapid assembly and disassembly.

The WY-GPT product line sets a new standard for intelligent, multi-platform, alphanumeric terminals - value-based computing tools for today and tomorrow.

## ERGONOMICS

- Monitor: 14-inch flat screen
- Color: Green, amber, or paper-white phosphor
- Video: Fully overscanned
- Refresh Rate: 78 Hz or 60 Hz, selectable
- Sessions: Dual Host with Split Screen and SSU

## ALPHANUMERICCS

- Personalities: Wyse WY-60, WY-50+; DEC VT420/320/220/100/52/PCTERM; Televideo 910, 925, 950, 955; ADDS Viewpoint A2, Viewpoint 60; IBM 3151; ANSI.SYS; WordPerfect keyboard support and PCTerm
- Screen Attributes: Normal, dim, bold, blank, reverse, underscore, blink and protect attributes in all combinations
- Screen Format: 24, 25, 28, 36,42, or 48 scrollable lines plus 1 status line
- Character Cell Size: 80 column: 10 x 16, 10 x 13, 10 x 12, and 10 x 9 - - 132 column: 9 x 16, 9 x 13, 9 x 12, and 9 x 9
- Character Sets: ISO 8859-1, -2 fonts, DEC and PC Multinational and PC Code Pages
- Page Formats: Single session: up to six 25 line pages (Embedded, Econo-80 mode); Dual Session: up to three 25 line pages
- Setup Menu: User-Friendly Host downloadable setup parameters
- Cursor Attributes: Block, underline, blink steady, or off
- Additional: Local editing, copy and paste

## KEYBOARDS

- ASCII, ANSI, VT220, EPC, and IEPC; detached, adjustable, low profile with 6-foot coiled RJ11 cord with programmable function keys

## COMMUNICATIONS

- COM1: RS-232/422 user selectable (up to 115.2 Kbps, and up to 38.4 Kbps with no hand-shaking)
- COM2: RS232 (up to 115.2 Kbps, and up to 38.4 Kbps with no hand-shaking)
- Parallel Port: IBM PC-Compatible

## ENVIRONMENTAL

Temperature Range

- Powered on: 32° to 104°F (0° to 40°C) Humidity
- 95% (maximum relative humidity non-condensing)

## POWER

- Auto-Sensing 110-240 VAC +10% 50 to 60 Hz

## PHYSICAL CHARACTERISTICS

- Height: 14.93 in (335.10 mm)
- Width: 12.5 in (317.5 mm)
- Depth: 13.75 in (336.88 mm)
- Footprint: 9.5 in (209.0 mm)
- Shipping Weight: 20 pounds

## REGULATORY COMPLIANCE

Standard

- FCC A, CSA, UL, IEC950, ISO9241-3, TUV/GS, DHHS, and Energy Star compliant

Low Emission

- FCC A, CSA, UL, IEC950 and PTB, CISPR, NEMKO, MPR, and CE-MARK

## MODEL NUMBERS

- Green - 909099-01
- Amber - 909099-02
- White - 909099-03

**Note:** The keyboard is not included with the terminal and must be ordered separately.
